PATIENT TESTIMONIALS

Very good professional treatment and service. Mam was very thorough, and root canal treatment was done efficiently and with a great deal of care. Highly recommend this Dentist

~ Jonathan Bornhort

I'm Jonathan Bornhort from USA, and I came to The Pulp after meeting Dr. Lata at BNI, and I came from America for laser teeth whitening. The staff, the facilities all were very good, and the care was excellent. I would recommend them to anyone.

Went to "The Pulp" for a root canal after one tooth suddenly became very sensitive. Dr. S. Lata did the whole procedure so skillfully that it was surprisingly painless. I also appreciated the prompt service, appointment reminder call, and clean facilities.
